Fri. Sept 2	9:00 - 10:00	Roundtable Discussion Any questions you may have	This will be held to answer questions that you may not have received answers yet or new ones that may have come up thru the week. There will be different presenters on hand at different times.	
	10:30 - 11:30	Roundtable Discussion Any questions you may have	This will be held to answer questions that you may not have received answers yet or new ones that may have come up thru the week. There will be different presenters on hand at different times.	
	1:00 - 2:00	Life on the road as Working Parents 1StrangeAdventure: Harold and Cindy Strange	We would like to share our story of choosing to go full time and the things we had to consider when making those decisions. We both work full time in addition to our kid's attending a virtual high school. On top of that, we manage our social media platforms, such as YouTube. We have a high demand on our time and internet. We would like to share how we manage to keep it going.	
	2:30 - 3:30	50 States. 7 Years. 6 RVs: Ask us anything! Less Junk More Journey: Moss Family Solitude Ambassadors	Nathan and Marissa Moss with Less Junk More Journey share their experiences of traveling to 50 states in seven years and in six different RVs! They are a full-time traveling RV family of four in a Solitude 5th wheel and they believe the family that camps together, stays together. Their mission is to inspire others to live a life of less junk and more journey while showcasing bucket-list experiences and destinations along the way. Swing by for their Q & A!	

	Times	Vendor and Other Seminar Locations & Descriptions			
Date		Vendor and Other Seminars ECCC BLDG: Basement	Description		
Tues. Aug 30	1:00 - 2:00	Disc Brakes & Suspension Performance Trailer Braking Kelly Barnett	You might think that your trailer brakes are doing an adequate job of stopping your trailerwe'd beg to differ. Or you might think 'My truck stops my trailer just fine'. Keep in mind that your truck should stop your truck and your trailer should stop your trailer. Electric Over Hydraulic Disc Brakes can stop you 50% faster and in 50% of the time than your standard electric brakes. We can also help you with your suspension upgrade needs!		
	2:30 - 3:30	RV Holding Tank Maintenance Kleen Tank Jim Tome	Learn everything you don't know about your RV's holding tanks! The national expert in tank cleaning discusses tank additives, misbehaving sensors, and which TP is best (you may be surprised!). Something for every RVer, no matter their experience and expertise. A fun, informative seminar that is always a hit!		
	4:00 - 5:00	Emergency Medical Transportation MASA Mary Plummer	JOIN MASA MARY, YOU CAN WIN A VISA GIFT CARD! MASA is the first and world's premiere medical transportation solutions provider with over 45 years of experience and over 2 million members. Specializing in providing peace of mind benefits if one experiences a medical emergency while traveling. These benefits include Recuperation & Repatriation Transport, Vehicle & RV Return, Mortal Remains Transport, Companion & Pet Return, Visitor Transportation, and Much More! MASA is the only carrier that offers the public a ONE-TIME PAYMENT, LIFETIME PLAN!		
	9:00 - 10:00	Critical Information: Solar & Your RV Briter Products Avanti Lalwani	Current solar power and energy storage technology offer RVers an unimagined level of travel independence while supporting power requirements. When determining what is best for your RV and travel plans, a complete understanding of solar, from research to post-installation maintenance, will ensure independence and greater travel choices. Hard-to-find information such as how to maintain the system; power strength; a good installation; and whether the solar system is working as planned will be discussed.		
	10:30 - 11:30	The Power to Clean! Gabe's Pride Steve Kennedy	We invite you to come listen and learn why Gabe's Pride "The Power to Clean!" products are the best choice for you and your RV. Gabe's Pride high-performing cleaners are eco-responsible, biodegradable, and safe. Use less cleaner, less muscle, and enjoy your clean RV in no time at all!		
Wed. Aug 31	1:00 - 2:00	National Parks of the West Fantasy RV Tours Carol Herr	Go West with Fantasy RV Tours and visit those famous monuments and National Parks on your bucket list! Our National Parks of the West Caravan will explore the Rocky Mountains, Mt. Rushmore, Yellowstone plus take in the Grand Tetons. Continue on with our Western National Parks tour to experience Zion, Arches and even camp on the South Rim of the Grand Canyon. These are just samplings of the national parks and amazing sights you will see on these spectacular RV caravans.		
	2:30 - 3:30	Emergency Medical Transportation MASA Mary Plummer	JOIN MASA MARY, YOU CAN WIN A VISA GIFT CARD! MASA is the first and world's premiere medical transportation solutions provider with over 45 years of experience and over 2 million members. Specializing in providing peace of mind benefits if one experiences a medical emergency while traveling. MASA is the only carrier that offers the public a ONE-TIME PAYMENT, LIFETIME PLAN!		
	4:00 - 5:00	Tire Pressure Monitor TST Don Wiesehan	Tire safety and benefits of a TST tire pressure monitor system.		
	9:00 - 10:00	Cutting through the Noise Wandering Weekends: Blackmon Family Imagine Ambassadors	Is Social Media ruining your RV experience? Does comparing your location with other's cause a discontentment with where you currently are, causing you to focus on your next stop, instead of living in the moment of your present trip. How do we cut through the noise of social media? By only using it as a resource to inspire.		
	10:30 - 11:30	What if? and Celebrity Cruises! Carolyn Kees	What if? You become ill while traveling or an accident lands you in a hospital away from home and you receive a \$30,000 helicopter bill? A SkyMed membership pays the bill. We have 18 services for you. Celebrity Cruise Lines is offering the lowest price guarantee thru SkyMed Travel.		
Thurs. Sept 1	1:00 - 2:00	Canada's Eastern Atlantic Provinces Fantasy RV Tours Carol Herr	The Atlantic Provinces of Canada boast rugged coastlines, picturesque bays, towering cliffs and sandy beaches. This seminar takes you through the incredible Maritime Provinces. Glimpse amazing Quebec, including Montreal and the Gaspésie Peninsula. Enjoy the Acadian Coast of New Brunswick, the beauty of Prince Edward Island and the seaward ways of Nova Scotia. We'll also explore the Viking Trail and quaint villages of Newfoundland. Join us as we share the sights of these five incredible provinces best experienced by RV.		
	2:30 - 3:30	Cultivate Food Rescue: From Intent to Impact	Transform how you see food. Cultivate's backpack program provides hope to food-insecure children in the South Bend, Indiana community.		
	4:00 - 5:00	Tire Minder Mike Kilbourne	This is a beginners guide to understanding TPMS and why you need it for your safety on the road. Understanding the basics of TPMS.		
Fri. Sept 2	9:00 - 10:00	Don't Leave Home Without It Grand Design Roadside Assistance Ed Thor	Learn why Grand Design chose us, the benefits of the Grand Design Program, and how it compares with all other Roadside Programs on the industry. We will also discuss how we integrate with Service Contract, Insurance and Extended Warranty providers. We will answer all your questions about Roadside Assistance.		
	10:30 - 11:30	RV Weight and Tire Safety RVSEF Dave and Tina Reyburn	RVSEF will again provide Wheel Position Weighing Service for the owners and this class will supply you with the knowledge required to assure that you operate your RV within the weight safety limitations established by the manufacturer, as well as the importance of the information found on your weight labels. This class is designed to assist you in understanding and managing your existing weight. The tire portion of the seminar relates to maintenance and care of tires for optimum safety and durability.		
	1:00 - 2:00	Can you see me? Alternative Lighting Tom Ciaccio	Introducing new LED vertical taillights that provide additional visibility while towing your coach to ensure safe travels. Simple installation process that requires minimal tools. Plugs into the OEM supplied flat 4 connector on Reflections and Solitudes. Imagines and Momentums require additional wiring. LEDs provide a very bright and quick response to tail light functions. Compliments the OEM tail lights.		
	2:30 - 3:30		TBD		

	Times	Vendor Seminar Locations & Descriptions		
Date		Vendor Seminars Pork Producers BLDG	Description	
Tues. Aug 30	1:00 - 2:00	RV Fire and Life Safety The Mobile RV Tech: Aaron Jones	This seminar will cover RV Fire and Life Safety centered around awareness, preparedness, fire safety equipment, evacuation procedures, specific extinguishers, RV refrigerator issues, and fire suppression solutions available today.	
	2:30 - 3:30	RV Weight and Tire Safety RVSEF: Dave and Tina Reyburn	RVSEF will again provide Wheel Position Weighing Service for the owners and this class will supply you with the knowledge required to assure that you operate your RV within the weight safety limitations established by the manufacturer, as well as the importance of the information found on your weight labels. This class is designed to assist you in understanding and managing your existing weight. The tire portion of the seminar relates to maintenance and care of tires for optimum safety and durability.	
	4:00 - 5:00	Made from Scratch Food Mixes Bread in the Bag: Sherry Kehr	Come see why my made from scratch mixes are perfect for camping, entertaining and everyday mealtime. My baking mixes are free of preservatives and my meals, soups and dips are made with low fat/low sodium broth bases that are free of MSG. I will have samples and a door prize drawing. Looking forward to seeing everyone.	
	9:00 - 10:00	RV Fire Safety My RV School: Jeff Gaston	This seminar covers the causes of RV fires and how to prevent them. The presenter will discuss how to escape an RV in the event of a fire and how to protect yourself and your loved ones. Preparation and awareness are key to safety. My RV School offers automatic deployment fire suppression systems with TPMS monitoring abilities as well as handheld extinguishers that are non-toxic and non-corrosive which means they are pet friendly and kid safe as well. Jeff also accompanies the class with a fire demonstration to include extinguishing a fire and showing attendees that you can in fact spray the product on yourself to escape a fire.	
Wed. Aug 31	10:30 - 11:30	Application of Color Street Nail Strips Color Street: BliparitoStyle	Take your nails from drab to fab. This will be a hands on seminar. Can't wait to see you all!	
	1:00 - 2:00	Tupperware's Light Weight Solutions for your RV Margaret Zimmerman	Tupperware products help to keep your unit light. They are not heavy and do not weigh down your unit. Tupperware has microwave products and other light weight oven products. Tupperware can help you organize your unit along with saving money, time and space.	
	2:30 - 3:30	Wash Wax All The TravelingBrowns	At this seminar you can learn how to maintain your RV using Wash Wax All products by Aero Cosmetics. Clean and Wax without a ladder!	
	4:00 - 5:00	Key-Alike Program Todd Peterson	An inside look at keys and locks in the RV industry with a focus on RVLocksAndMore's Key- Alike program that provides convenience and added security.	
	9:00 - 10:00	Satellite TV and Off Air Q&A Elkhart Satellite Brian Chiddister	Brian will go over what is new in the industry with satellite TV and then answer all of your questions!	
	10:30 - 11:30	Tow Assist Performance Trailer Braking: Kelly Barnett	A Dexter product for the trailer towing industry that will provide anti-lock brakes (ABS), sway mitigation, and an odometer function.	
	1:00 - 2:00	What Costco Has to Offer Costco: Angel Laskowski	Membership and outside services offered by Costco. Question and Answer. Sign up sheet for goodies from the Costco deli to share with everyone.	
Thurs. Sept 1	2:30 - 3:30	RV A/C Silencer and GasStop The TravelingBrowns	Learn how the RV A/C Silencer by Wacko Products can reduce the noise coming from your Coleman or Dometic A/C unit while also increasing airflow. Additionally, learn how to safely run your refrigerator on propane while driving using GasStop's 100% automatic shutoff valve.	
	4:00 - 5:00	RV Tire Safety and Weighing My RV School: Jeff Gaston	This seminar discusses the proper way to care for and maintain your RV tires. The presenter discusses the importance of knowing the weight of your RV and the proper way to load and inflate your RV tires as well as offer four corner weighing. My RV School is endorsed by Michelin Tires and can answer as well as share Michelin related materials and questions. Four-corner weighing can be offered upon departure.	
Fri. Sept 2	9:00 - 10:00	Solar & Lithium Batteries: How They Work Kayla Sweatland	Session highlights how solar and lithium batteries work, why you should go solar, and an overview of a typical RV solar system including various accessories.	
	10:30 - 11:30		TBD	
	1:00 - 2:00	How to Get Quality Internet in Your RV Internet Go: Mike Kilbourne	How you can find a solution to accessing and understanding internet in your RV, Hotspots, Routers and free Wi-Fi. Basics and understanding the best solution for your needs on the road for internet.	
	2:30 - 3:30		TBD
